Praise Temple CME Church

Praise Temple CME Church located at 1297 Atcheson St., Columbus OH, nestled on the East Side of Columbus in the middle of a diverse community. Praise Temple has been serving this since its inception in 1989. The building that currently houses Praise Temple was previously a store. Many people from the community stop by to reminisce about growing up in the neighborhood and coming over to the store. Now it is a place to come for worship.

teach Christ like principles, and empower people to exemplify Christ like characteristics. One of our primary goals is to be a positive presence in the community. Currently, we partner with the Men's mission providing

toiletries for those in need. We also host a meet and greet, open to the community, providing food and fellowship, clothing, and back to school supplies.

CDI Health + Wellness = Wholeness

Greetings all,

I just want to take a moment to encourage us! Our health and wellness is so vital to our level of existence. We can begin changing our lifestyles, bit by bit, piece by piece, task by task, project by project. Put a plan together and work it!!! We all have situations we are dealing with. We've lost loved

ones and friends this past year. Our lives are BUSY. Let's get busy LIVING!!!

Let's be more intentional and effective this month. October has many important national awareness observance months, weeks, and days. This month, rather than uplifting 1, I want us to focus on a few. Please learn more about

Domestic Violence, Mental Illness, and Bullying! For more information on these and other national awareness, please go to: <https://healthfinder.gov/NHO/nhoyear.aspx?year=2018>
