RULES FOR CHILDREN'S QUIZ BOWL

Cincinnati-Dayton-Indianapolis Sunday School Convention 2023

1. The Children's Quiz Bowl is a question and answer game played between two teams of four (4) players each with two (2) alternates.
2. Points are scored by correct answers to questions asked by the Moderator.
3. Players should be given 3 seconds from the time the Moderator stops reading to request to have the question read a second time. After the Moderator has completed reading the question the player will have 15 seconds to answer the questions. The Moderator should allow for a natural pause, but no stalling.
4. If an answer comes after time has been called, it doesn't count.
5. If a player confers with a teammate on an answer it does not count. It is given to the other team.
6. If a player answers, without being recognized by the Moderator, the answer does not count. It's the same as a wrong answer.
7. The **FIRST** response given is the one that counts. Sometimes a player will attempt to give more than one piece of information. **The Moderator, NOT the team members**, makes the decision on whether the response is wrong.
8. If a player gives the wrong answer, the question is turned over to the other team. The Moderator **DOES NOT** reread the question, unless the question is turned over because of an interrupt. The other team must answer within **10 seconds**.
9. If the Moderator inadvertently gives an answer to a question without giving either team a chance to respond, or without turning the question over, he or she takes the next question in the stack and plays it according to the rules. The same is true if an audience member says the answer.
10. Team members may confer for 10 seconds on Bonus Questions, after the question has been read in its entirety. All team members may participate, however if there is a conflict, the Moderator will ask the team captain for the team's official answer.
11. The Moderator asks for the answer at the end of **10 seconds**. The Moderator should allow for natural pauses, but not stalling.
12. If a score is tied at the end of the regulation time, the tie is broken by asking each team an equal number of questions. The team that gives the greatest number of correct answers wins.
13. **Each team is allowed one, one minute time-out per game. Time out is called by the captain, and must be requested prior to a question. Yes, a team member may be substituted for another member during this time out.**
14. A draw of the highest number will determine which team receives the first question.
15. Each team will be asked 7 questions from each of the following categories (the seventh question is a Bonus question):
History of the CME Church, CME Polity, Black History, and Bible Quiz Questions
15. The Tie-Breaking questions will be taken from the CME Church Jr. Catechism questions
#1 through #20.

Point system

1. Church History and Church Polity **will be two (2) points per questions**
2. Bible Questions **will be three (3) points per questions**
3. Black History **will be two (2) points per question**

5. **Each round will be 15 minutes long. The team with the highest score at the end of the round will move on to the next round.**
